Dear William H. Pruett, COO Jesus Over Jerusalem:

The denomination of The Evangelical Church heartily endorses Dr. Randy Butler and the ministry of Jesus Over Jerusalem!

We care about soul-winning for Christ and we care about fruitfulness in proclaiming the Gospel. We also care about the scattering of the seed of God's Word—all these are involved with Jesus Over Jerusalem in an effective and sustainable way.

Almost 34 years ago in 1986, Randy Butler became the Assistant Pastor at our Salem Evangelical Church and in 1990 became the Senior Pastor there. Since joining SEC both Randy and his wife Joan earnestly dedicated their lives to teaching, preaching and modeling the Good News of the Gospel while leading Gods people to walk in holiness unto our Lord.

We count it a privilege to partner with JOJ to the farthest ends of the earth. We consider this ministry to be potentially among the most eternally impacting ministries in our future as a denomination. Our nearly 500 churches worldwide are grateful to witness what God is doing through his Holy Spirit through this ministry.

It is an honor to support this ministry, for the sake of the Kingdom.
